LA BUFADORA INN (formerly the Blowhole B&B)

La Bufadora Inn is a family operated boutique hotel with unique rooms to choose from. Enjoy the spectacular view from our cliffside location overlooking the blowhole, Asuncion Island and the open Pacific. You can fish off the rocks, swim at our private beach, snorkel & spearfish in front of the house, kayak, tour the island or just relax on your private patio.

Inkeepers Juan and Shari will show you around town, introduce you to the locals and share their paradise with you. Each room is uniquely charming with comfy beds & WIFI. The food is exceptional...fresh fruit, seafood and Mexican cuisine with lots to do and see to keep you busy.

Sport fishing, diving, Island tours & Spanish immersion available at the Inn!
